"We are thrilled to unveil the spectacular lineup of bands set to grace the stage at the 2024 Dominion Energy Riverrock," said Stephen Lecky, Director of Events with Venture Richmond. "This year's musical offerings promise to be an exhilarating fusion of talent and genres, creating an unforgettable experience for attendees. From longtime fan favorites

to emerging artists, these bands reflect the diverse and dynamic spirit of Riverrock. We can't wait to bring the energy to Brown's Island."

Dominion Energy Riverrock, organized by Venture Richmond and Sports Backers, began in 2009 and is now the nation's premier outdoor sports and music festival, bringing athletes, spectators, musicians, and even dogs to Brown's Island for a three-day festival against the backdrop of downtown Richmond's urban riverfront.

The event serves to promote Richmond's unique riverfront, downtown trails, and whitewater rapids to outdoor enthusiasts and introduce Richmond's outdoor adventure opportunities to residents and visitors from around the country. As a result of the creation of Dominion Energy Riverrock, there is a stronger appreciation for the value of outdoor recreation throughout the entire Richmond region.
